Message from MD & CEO

Dear Colleagues,

To make India self-reliance by bringing economic prosperity, skill development is one of the key factor in eradication of unemployment & income generation for sustainable livelihood particularly in rural area, consisting a large number of un-employed youths.

Rural self Employment Training Institute (RSETI) model of skill training is an initiative of Government of India /Ministry of Rural development (MoRD) which not only imparts skill development training to rural youth but also extend hand holding facility by way of credit linkage to ensure generation of sustainable income for their livelihood.

RSETI impart training to rural youth, especially BPL candidates. Out of total trained candidates, the number of women beneficiaries are more than 70%. The impact of RSETI in Indian economy, especially in rural area is exalted.

It gives me immense pleasure that our all 43 RSETIs are “AA” graded and all have achieved national target of settlement & credit linkage, out of which percentage of BPL & women beneficiaries are more than 70%.

I appreciate Team RSETIs, concerned Zones LDMs and HO-FI Team for their endeavor and urge them to bestow their efforts to maximize training, settlement & credit linkages.

Editorial

Dear Readers,

RSETI is replication of RUDSETI, a three-way partnership between the Ministry of Rural Development (MoRD), State Governments and Sponsor Banks. Banks are mandated to open at least one RSETI in their lead district where they are shouldering their lead bank responsibility to provide training to rural youth to take up self-employment/ entrepreneurship ventures. RSETI program runs with an approach of short-term training & long-term handholding of entrepreneurs. RSETIs are mainly providing training to rural youth to turning them into profitable entrepreneurs by training them in the domain and entrepreneurial skills.

RSETI governed by mainly 3 committee formed at National, State and District level i.e. National Level Advisory Committee on RSETIs (NLACR), State Level Steering Committee on RSETIs (SLSCR) and District Level RSETI Advisory Committee (DLRAC).

As per guidelines of MoRD, we formed and registered a society namely “STAR SWAROJGAR PRASHIKSHAN SANSTHAN”(SSPS) with Mumbai Public Trust and all our 43 RSETIs are working under an umbrella of SSPS, governed by Group Governance Committee .

As GOI / MoRD entrusted, we are presently sponsoring 43 RSETIs. So far, since inception, all our RSETIs have trained approx. 3.07 lakh candidates, out of which 2.20 lakhs (71.83%) have been settled and 1.09 lakh (51.56%) have been credit linked against the national target for settlement & credit linkage of 70% & 50% respectively. As per SOP it is mandatory to impart 70% training to BPL candidates and for which MoRD reimburse the training expenses with respect to BPL candidates.

HO-FI department monitoring all RSETIs directly and through concerned ZO, LDM to ensure compliance SOP/Common Norms Notifications (CNN) in liaising with NACER, NAR, NIRD&PR, NABARD, MoRD etc. There are 61 training programme approved by MoRD under National Skill Qualification Frame work (NSQF) for training at RSETI. Apart from NSQF approved trading courses, RSETI provides training sponsor by NABARS and other Govt. departments.

Our mission is to maximise settlement and credit linkage and to ensure completion of building at remaining places so that to each RSETI have their own building for better functioning and to compliance of SOP. Our endeavour is to make our RSETI a model skilling centre at district level.
