Most suitable offer i.e. the premises getting highest score (H-1) based on Techno-Commercial evaluation shall be selected for finalization.

The price bids of only those bidders who qualify technically by obtaining a minimum qualifying mark of 50% in their technical evaluation, will be opened.

Price bid of the bidder with the lowest rental rate will be given a financial score of 100 and other bids will be given financial score that are inversely proportional to their quoted rental rates. Similarly, technical bid of the bidder having obtained highest marks will be given technical score of 100 and other bids will be given technical score inversely proportional to the marks obtained by them.

The total score, both technical and financial, shall be obtained by weighing the technical and financial scores and adding them up. On the basis of the combined weightage score for technical parameters in the Technical bid and rental rate quoted in Price Bid shall be ranked in terms of the total score obtained. The bidder obtaining the highest total combined score in evaluation will be ranked as H-1 followed by the bidders securing lesser score as H-2, H-3 etc. The bidder securing the highest combined score and ranked as H-1 will be selected.

Following Technical Parameters will be considered for selecting premises:

T(s) stands for Technical score evaluated as mentioned above

F(w) stands for weightage for Financial score i.e 0.3

F(s) stands for Financial score evaluated as mentioned above
